- =====UPDATE=====

How it's going:

- Improved communication and training efforts have been successful – Rec. re PLOs will be met

A. ACCJC Letter - Main Issues

■ #2: Integrated Planning

- Met with DK, AZ, MC, etc. to pinpoint exact process and evidence
- What we've learned:
 - Importance of evidence and being able to explain process clearly
- Waiting to meet with consultant to review – see what he says re will Rec. be met

A. ACCJC Letter - Main Issues

- #3: ITS

- Implementation of Help Desk procedures and needs assessment cycle.

Efforts to resolve:

- Slow progress due to ITS director being new and trying to uncover what has been done

A. ACCJC Letter - Main Issues

- #4: Library

- Meeting students' needs with library collection.

Efforts to resolve:

- Comparative analysis done for follow-up report
- Strong support for students with new EBSCO Discovery – higher usage of databases including e-books

A. ACCJC Letter - Main Issues

- #5: GASB Retirement Funding

Efforts to resolve:

- The District is in the process of developing a local Retirement Board Authority (RBA).
- \$350K set aside for OPEB Liability in 2013-2014. The RBA to develop a long-term funding plan for the OPEB.
- Actuarial Study Agreement in March 2013, to determine how large our current liability is. Results by Summer 2013.

B. Midterm Report Status

- **19 Improvement Plans tentative status:**
 - MET = from 10 to 12
 - PARTIALLY MET = 6 to 4
 - MODIFIED OR DELETED = 3

Efforts to resolve:

- Consensus – minutes - consultant
- PLOs
- Both will be resolved in time
