## **General Information**

### **PREFACE**

This abstract is completed annually from information provided by California's community college districts and contains both attendance and General Fund fiscal information. The information most often requested has been included.

The System Office appreciates the efforts of district staff in providing the data that are compiled, summarized, and displayed in this publication. Except for minimal review and minor technical editing by the System Office, the information is compiled from data submitted by the 72 districts.

This annual report reflects district operations, district-by-district and statewide totals. Questions regarding this report should be directed to the Fiscal Services Unit.

## SUMMARY – 2.9.09

This issue of the Fiscal Data Abstract provides attendance and fiscal information for the 2007-08 fiscal year. This information is based on reports provided by California's community college districts. Fiscal information regarding the System Office is not included.

The number of full-time equivalent students (FTES) was 1,233,816 compared to the previous year's total of 1,194,016 . The difference is an increase of approximately 3.3 percent. Of the total 2007-08 FTES, 45,156 were nonresident, an increase of 3,510 FTES.

This report includes district general fund revenues and expenditures. Following is a two-year comparison of systemwide general fund revenues and expenditures:
