

ANTELOPE VALLEY COLLEGE
FOUNDATION

Save Your Seat in Our Future

Be a part of Antelope Valley College's future by purchasing a Commemorative Bench through the Antelope Valley College Foundation's Campus Beautification Program.

Celebrate milestones on a commemorative bench that will be placed on Antelope Valley College's beautiful campus. Businesses, organizations and individuals now have a unique opportunity to celebrate the college's 75th anniversary and be a permanent part of the campus as the college continues to grow.

Bench sponsors can:

- Demonstrate their partnership in education at Antelope Valley College
- Memorialize a loved one
- Honor those who have made great achievements
- Have their individual, family or business name recognized in a permanent educational landmark.

Your donation of \$2,000 made to the Antelope Valley College Foundation covers the purchase of the bench and custom plaque, installation and maintenance. These beautiful pre-cast concrete benches are inset with a bronze plaque, and only a limited number of benches are available (see map on back).

Save your seat in the future of Antelope Valley College! For more information or to order a bench, please contact (661) 722-6391.
