

What can I do with this major: Dance

The Associate in Arts in Dance degree offers an experience in dance as an art form, both in practice and in theory. Students enrolled in the AA in Dance degree will experience creative expression through bodily movement, movement rhythmic structure, and the development of bodily alignment, form, strength, coordination, balance, control, physical agility, flexibility and stamina. The grace and confidence one gains in dance is beneficial to everyone in all aspects of life.
