Transfer or Graduate

Take Summer classes if needed to complete the program in a timely manner.

The state requires all students to have a Comprehensive Educational Plan. Make a counseling appointment as soon as enrollment is established on any term. Come by the Counseling Center or call. Online Counseling is available: <https://www.avc.edu/student-services/counseling>

Required Courses:	
ECON 101+, Principles of Macroeconomics	3
ECON 102+, Principles of Microeconomics	3
MATH 115+, Statistics or MATH 116+, Introduction to Statistics Using R	4
MATH 148+, Calculus for Business & Economics or MATH 150, Calculus and Analytic Geometry (5), or MATH 160, Calculus and Analytic Geometry (4)	4
Required Electives A: Select 3-5 units from the following	
MATH 124+, Finite Math	4
MATH 150+, Calculus and Analytic Geometry	5
MATH 160+, Calculus and Analytic Geometry	4
ACCT 201, Financial Accounting	4
ACCT 205+, Managerial Accounting	4
BUS 113+, Business Communications	3
BUS 201, Business Law	3
CA 221, Computer Concepts & Applications in Business	4
CIS 101, Introduction to Computer Information Science (Inactive)	3
Required Electives B: Select 3-4 units from the following	
ECON 100, Survey of Economics	3
ECON 110, Economics of the Underclass	3
MATH 250+, Calculus and Analytic Geometry	4
MATH 220+, Linear Algebra	4
PSY 101, General Psychology	3
POLS 101, American Political Institutions	3
SOC 101, Introduction to Sociology	3
Units Required for Major:	
	20-
<i>other requirements for degree</i>	
CSU GE Breath (39 min.) or IGETC (34 min.) Pattern	-4--5
CSU/IGETC Transferrable Elective Units to reach Degree Total	0-6
Minimum Units Required for the Degree 60	
*Courses denoted with an asterisk will fulfill the completion requirements for both the major and general education.	
**LOTE: Language Other than English	

General Education Requirements: Complete either the CSU Breath Requirements or IGETC.

Policies in the back page

AAT-Economics for Transfer Degree 23-24 Recommended Plan of Study

The Associate in Arts in Economics for Transfer (AA-T in Economics) degree program at Antelope Valley College has been developed to provide the student with a fundamental understanding of the field of Economics, which emphasizes economic analysis, institutions and policies in American, regional, and urban settings. Economics is concerned with the study of how people and societies produce various commodities and distribute them for consumption, now or in the future, among various persons and groups in society. The Associate in Arts in Economics for Transfer (AA-T in Economics) degree meets the requirements of SB 1440 for Associate Degrees for Transfer (ADT). These degrees are intended to make it easier for students to transfer to California State University campuses but do not exclude admittance to other colleges or universities.

To earn an Associate in Arts in Economics for Transfer (AA-T in Economics) degree a student must complete the following:

- (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- (2) Obtainment of a minimum grade point average of 2.0.

ADTs also require that students must earn a C or better in all courses required for the major or area of emphasis.

Advisory: A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Prerequisite: A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass).

Corequisite: A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated corequisite.

Electives: The remaining number of units (up to a minimum of 60) are considered electives. Any course that has already been counted toward (1) the general education requirements, or (2) the major, cannot be used as an elective. Any course with a designation of "CSU" at the end of a course description can be used as an elective for a CSU transfer and a "UC" designation for a UC school.

Grade Point Average Requirement: An overall grade point average of 2.0 ("C" average) is required.

Double Counting: While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement.

• **Residency:** Minimum of 12 units completed at AVC with a minimum of 9 of those units completed from the certificate/major. (credit earned by examination will not be included in these 12 units) Title 5, Section 54000: <http://ccr.oal.ca.gov>.

Requirements for Two or More Associate Degrees: To be eligible for multiple associate degrees, a student must have completed all of the graduation requirements for each degree.

Transfer: Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center or the Counseling Center and consult with a counselor as soon as possible to develop a plan of studies. Additional preparation for the major information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: www.assist.org

The "Catalog Rights Policy" sets forth the criteria used for determining the degree requirements under which students may graduate. Please refer to the AVC Catalog for a detailed description or consult with a counselor.
