

Hello Antelope Valley Community College District Employees,

Regarding the novel coronavirus from China (also known as 2019-nCoV), our Custodial Supervisors and their employees are on top of prevention of disease transmission via cleaning touch surfaces, posting flu prevention flyers regarding hand washing and cough etiquette in restrooms (flyers attached), and providing hand sanitizers in various Department/Division areas where people congregate as well as in many frequently visited offices. Our Custodial Staff provides these ongoing flu prevention efforts (which apply to coronaviruses as well) that we began years ago.

Please follow the links listed below for further information on 2019-nCoV from medical experts who are at the forefront of the fight against this new virus:

California Department of Public Health Coronavirus website
<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/Immunization/nCOV2019.aspx> - in order to see the latest information from medical sources dealing with this novel coronavirus.

Centers for Disease Control and Prevention website
<https://www.cdc.gov/coronavirus/2019-ncov/index.html>

L.A. County Department of Public Health website
<http://publichealth.lacounty.gov/>

Our own Student Health personnel also provide a great deal of information on their Antelope Valley College webpage.

Stay healthy!
