

BP 1200 District Mission

Reference:

WASC/ACCJC Standard One

Antelope Valley Community College, a public institution of higher education, provides a quality, comprehensive education to a diverse population of learners. We are committed to student success, offering value and opportunity in service to our community.

Antelope Valley College offers (Not included in the District's Mission Statement):

- Associate Degree Programs

Associate degree programs comprised of general education courses, proficiency requirements, designated courses in a specific major or area of emphasis. Associate degrees provide students with “the ability to think and to communicate clearly and effectively both orally and in writing; to use mathematics; to understand the modes of inquiry of the major disciplines; to be aware of other cultures and times; to achieve insights gained through experience in thinking about ethical problems; and to develop the capacity for self-understanding.”

- Baccalaureate Degree Program

The Baccalaureate Degree Program in Airframe Manufacturing Technology is designed to respond to the growing demand in the aerospace and associated industries with a curriculum that addresses airframe manufacturing, aircraft fabrication (structures and composites), avionics, and electronics, as well as upper division general education courses. This degree provides students with the ability to understand, perform, and serve as first-line leads in the major processes of manufacturing the structural components of aircraft for civilian and military specifications and other related industries.

- Career Technical Programs

Certificate and degree programs comprised of “essential career technical instruction” in a variety of business, technical, and occupational courses designed to enhance students’ knowledge and skills leading to employment, career advancement, certification, and state or federal licensure. We award both Chancellor’s Office approved Certificates of Achievement and locally approved Certificates of Proficiency.

- Transfer/General Education Courses

Transfer/general education courses in communication and critical thinking, the physical and biological sciences, arts and humanities, social and behavioral sciences, and technical education. Completion of these courses allows students to fulfill degree requirements or enroll in upper division courses and programs at accredited four-year institutions through our articulation agreements.

- **Basic Skills Courses**
Basic skills courses in reading, writing, mathematics, English as a Second Language, and learning and study skills. These courses offer students essential foundation skills that are necessary for success in college-level degree applicable courses.
- **Student Support and Instructional Support**
A variety of services in academic, career, and personal counseling, in library instruction and course support, in learning assistance. These services support the needs of students in pursuing and achieving their educational goals.
- **Workforce Preparation and Economic Development**
Workforce programs, job preparation courses (non-degree applicable) and a variety of services that contribute to the educational and economic well being of the community.
- **Personal Enrichment and Professional Development**
Community service offerings, non-credit, not-for-credit classes and services that develop the knowledge, skills and attitudes necessary for students to be effective members of the community. These classes enhance the community's social, cultural, and economic well being. Non-credit course offerings may lead to a Certificate of Completion and/or Certificate of Competency.

The Antelope Valley Community College District is committed to fulfilling its mission in accord with the following philosophy:

Antelope Valley Community College District is a comprehensive community college district in the California Community College System dedicated to providing services to a broad range of students with a variety of educational goals. The district is dedicated to providing educational programs and services as expressed in the California Master Plan for Higher Education. Likewise, the district is committed to equal educational opportunity and reinforces that commitment through a program of active affirmation of diversity.

Antelope Valley Community College District is dedicated to meeting the dynamic needs of a changing community. The District addresses the educational needs of a diverse and evolving population. The District recognizes that it is uniquely capable of responding to the requirements of regional business, industry, and public service, as well as the social and cultural needs of the Antelope Valley.

Antelope Valley Community College District affirms the rights of the individual and respects human dignity. The programs and activities offered foster the individual's ability to think clearly, critically, and independently to meet the demands of an increasingly complex society. The student is the primary concern of the Community College District. The curriculum, activities, and services are designed to help students understand their physical, cultural, ethnic, and social environment. The preservation of academic freedom provides an environment in which students and faculty can examine ideas freely. Academic freedom in the pursuit and dissemination of knowledge in an educational environment shall be ensured and maintained. Such freedom shall be recognized as a right of all

officers, and of all students.

This philosophy is reflected in the curriculum, the student-faculty relationships, the services and resources, and the policies of the Antelope Valley Community College District.

The mission statement review will be initiated by the Strategic Planning Committee (SPC).
