9:30 Meeting started

Introductions of members present

Description of Deaf Studies Interpreter Training Program

- 2011 Completers/Graduates – Up to 29
- Information about previous and current students. Rumsey surveys former students regularly about their pursuits of careers within the Deaf Community, Certifications Attempted and Obtained, and University Level Courses pursued.

Student activities

- Gave away 2 scholarships of \$300.00 each. Recipients for 11-12 were Issac Chavez and Lanay DeFranco
- Study Hall has been on hiatus due to budget issues and lack of understanding the concept by administration
- The ASL @ AVC club will have Silent Games Nights again this coming year.

Old Business

- Perkins Grant – was not approved this year.
- Setting Voicing Class as a requirement was completed.

New Business

- Course Outlines of Record for all courses are current and up to date.
- Explanation of Program Learning Outcomes and Student Learning Outcomes. May discuss these at future meetings.
- Proposed and approved applying for Perkins (VTEA) funding in the next cycle to purchase materials and equipment that will be made directly accessible to students in class and outside of class. Also, want equipment to enhance student learning of VRS and VRI.
- Find out if/when the Work Experience Courses may be offered again.
- Next meeting: TBD
