## III. ACTION ITEMS

### 3.1 Committee Reports

Senator Shyann Blanco reported on the Academic Senate. The Library representative position will be coming to an end in the near future if a change to the Constitution is not made. Also, the College Mission Statement has been approved for a change. This change has also gone through the AP&P committee.

### 3.2 ASO Budget

Dr. Jill Zimmerman was approached by IT Director Rick Shaw about an opportunity for ASO to run a print-for-pay kiosk. This kiosk will offer a limited amount of copies (perhaps 50) to AVC students per semester. ASO would pay for the kiosk and the estimated cost for kiosk/maintenance/repair would be around \$30,000. The kiosk could possibly serve as a way for ASO to serve its students. Dr. Zimmerman asked members to consider whether this would be something it would like to offer. She stated that the sooner Rick Shaw had an answer from ASO, the better. Members present discussed the cost of having such machine and whether or not the ASO sticker could be somehow involved in the kiosk service process. Because of the number of questions/considerations involved with making a decision, ASO asked that they have more time to consider this offer. Dr. Zimmerman asked that it be put on the next agenda.

## IV. REPORTS

Advisor Report - Dr. Jill Zimmerman expressed her excitement for the year's Commencement later that day. She also asked that ASO officers send her some of the things that ASO had accomplished during the year for the Student Development end-of-the-year report.

Executive Board Reports - Secretary Megan Turrill thanked everyone for how welcoming and kind they had been to her during the semester. She stated that each and every member had taught her something about ASO and that she would take all of the advice she had received into the following year of which she greatly looked forward to. She also stated that she was happy for everyone who was graduating/transferring and that she knew they had bright futures ahead of them.

Vice President Giovanna Sanchez thanked everyone and she also expressed that she knew every member present had a bright and wonderful future ahead of them.
