Chancellor's Office

Vision For Success Goals by 2022

2020

1.

Increase the number of CCC students annually who acquire associates degrees, credentials, certificates, or specific skill sets that prepare them for an in-demand job by at least 20%.

2.

Increase the number of CCC students systemwide transferring annually to a UC or CSU by 35%.

3.

Decrease the average number of units accumulated by CCC students earning associate's degrees, from approximately 87 total units (the most recent system-wide average) to 79 total units.

4.

Increase the percent of exiting CTE students who report being employed in their field of study, from 60% percent to 69%.

5.

Reduce equity gaps across all of the above measures through faster improvements among traditionally underrepresented student groups, with the goal of cutting achievement gaps by 40%.

6.

Reduce regional achievement gaps across all of the above measures through faster improvements among colleges located in regions with the lowest educational attainment of adults, with the ultimate goal of closing regional achievement gaps for good within 10 years.
