2. Open comments from the public - None
3. The minutes of November 4 were approved with minor revisions. The minutes of November 21 were approved.
4. Reports - None
5. Action Items - None
6. Discussion items
 - Tableau demonstration by Dr. Svetlana Deplazes. Committee members accessed Tableau and various dashboards themselves while Svetlana demonstrated features and options. All support the idea of offering Tableau training to help people become familiar and comfortable with Tableau. Carol will contact the deans and directors to see if they will give us 30 minutes during a Feb or March division meeting. We’d like to hold the demonstrations in computer labs when possible. PRC members shared a few concerns about some filters and the ease of understanding some of the data but were generally optimistic that Tableau would be seen as a valuable tool by faculty and staff. Svetlana will continue to refine how Tableau data is presented.
7. Other – Next meeting: March 6, 2017
8. The meeting was adjourned at 4:15pm.
