

# What can I do with this major: Industrial Manufacturing Technician Apprenticeship

Entry Level Industrial manufacturing technicians operate industrial production related equipment, work with manufacturing related tools, and perform work processes related to a wide variety of manufacturing settings. Industrial manufacturing technician apprentices will learn to set up, operate, monitor, and control production equipment. They will also help improve manufacturing processes and schedules to meet customer requirements. This apprenticeship training program combines on-the-job learning with related instruction in a classroom to prepare apprentices for journey level work after they complete the program.

## Degrees and Certificates offered at AVC

- ❖ [Industrial Manufacturing Technician - Certificate](#) (non-transferable)

## Possible Job/Career Titles

- ❖ Industrial Manufacturing Technician
- ❖ Sheet Metal Worker

## Work Industries and Employers

- ❖ Independent contractors
- ❖ Government contractors
- ❖ Aerospace manufacturing
- ❖ Automotive manufacturing
- ❖ Shipbuilders
