**2013-2014**  
**Academic Policies & Procedures Committee Meeting No. 3**  
**MINUTES**

**1. CALL TO ORDER AND ROLL CALL**

A motion was made and seconded to call the September 26, 2013 AP&P Committee Meeting to order at 3:07 p.m. Mrs. Linda Harmon, AP&P Faculty Co-Chair, called the meeting to order at 3:05 p.m. Motion carried.

**2. OPENING COMMENTS FROM THE COMMITTEE CO-CHAIR**

Mrs. Linda Harmon stated that courses are now moving through CurricUNET a little quicker and the next agenda should be fuller.

**3. APPROVAL OF MINUTES – September 12, 2013 Minutes**

**4. INFORMATIONAL ITEMS**

**a. 2013-14 AP&P Deadline – Courses and Programs need to be approved by 11/14/2013 for Fall 2014 inclusion**

- **CORs that need to be revised this academic year – List at the end of the agenda**
- **TMC Degrees that need to be developed and brought to AP&P – List at the end of the agenda**
- **C-ID Approval needed, COR revised and brought to AP&P – List at the end of the agenda**

Mrs. Linda Harmon reminded the committee that all course and program revisions need to be approved by AP&P on or before November 14, 2013. She urged representatives to work with those faculty members who are responsible for revising the courses at the end of the agenda especially those that are needing revision due to C-id designation.

Dr. Lee Grishman stated there should be a process for notifying him of those courses that can now be resubmitted after approved by AP&P. Mrs. Linda Harmon suggested that a note be added to the agenda next to the course listing indicating it was previously denied for C-id designation. Dr. Grishman agreed that would help in the resubmitting process.

Dr. Lee Grishman also indicated that lecture/lab courses with multiple components listed on a single course outline of record need to have the course content elaborated on to include each course component. For example, the lecture component would be listed first followed by a section that calls out specifically those items that will be taught in the laboratory course. Ms. Lisa Karlstein requested clarification since her courses are lecture/lab as well. Dr. Grishman indicated that photography and commercial photography have separate laboratory courses and therefore this would not apply to those courses. Dr. Grishman stated that this is particularly important if the faculty are seeking CSU and UC transferability approval.

**b. 13-14 Academic Year AP&P Representative Proxy Memo needed for all committee members**

- **Establish Proxy for voting purposes by submitting a memo to AP&P**

Mrs. Linda Harmon asked representatives who had not turned in their proxy memo to do so as soon as possible.

**c. Existing Programs in CurricUNET – Contact Melissa prior to creating a program copy**

**d. CurricUNET Workshops:**

- 10/3/13, 2-4pm BE 323
- 10/7/13, 9:30-10:50am BE 323
- 10/10/13, 9-11am BE324

Mrs. Linda Harmon reminded the committee members of the upcoming trainings and encouraged them to send faculty members who need assistance with the CurricUNET process.

Ms. Jeffrie Ahmad spoke on behalf of the faculty as Mr. Scott Jenison was not able to attend the meeting. She circulated a document titled “Progress Report: ESL Score Card Task Force” and went over each item listed. Luis Echeverria stated American River College offers a section of ENGL 101 specific for those students who are English Language Learners and he is currently working to obtain a copy of their course outline of record. He indicated that ESL students potentially feel intimidated by a regular ENGL 101 course and could benefit from a course that is tailored to their needs. Ms. Ahmad also stated the ESL faculty are downsizing their program offering less sections in spring 2014. The AP&P Committee reminded the task force of what was asked of them, which was to streamline our program conforming to those that are more successful based on the score card. Mrs. Sharon Lowry stated that she attended a student summit on Monday and Tuesday where score cards were discussed for ESL. They especially commented on the fact that there is an 80 point gap between the highest and lowest score card.

**6. DISCUSSION ITEM**

**a. Content Review and Course Validation Process for Prerequisites**
