Dear President Fisher:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting on January 10-12, 2007, reviewed the Progress Report submitted by the college and the report of the evaluation team which visited on Monday, November 20, 2006. The Commission took action to accept the report.

I have previously sent you a copy of the evaluation team report. Additional copies may now be duplicated. The Commission requires that you give the report and this letter appropriate dissemination to your college staff and to those who were signatories of your college report. This group should include campus leadership and the Board of Trustees. The Commission also requires that all reports be made available to students and the public. Placing copies in the college library can accomplish this. The Progress Report will become part of the accreditation history of the college and should be used in preparing for the next comprehensive evaluation.

All colleges are required to file a Midterm Report in the third year after each comprehensive evaluation. Antelope Valley College should submit the Midterm Report by **October 15, 2007**. Midterm Reports indicate progress toward meeting the evaluation team's recommendations and forecast where the college expects to be by the time of the next comprehensive evaluation. The report also includes a summary of progress on college-identified plans for improvement as expressed in the self study.
