6. DISCUSSION ITEM

a. Associate Degrees for Transfer (ADT) – CSU GE / IGETC

Mrs. Melissa Jauregui indicated that a concern was raised regarding the use of the IGETC pattern when awarding the ADTs. Per the Chancellor's Office website we must require student to complete either CSU GE or IGETC for CSU in order to be awarded their ADTs. The difference in the IGETC for CSU and IGETC for UC is the requirement of Oral Communication, which students must complete in order to receive these degrees.

b. SLOs on the Syllabus

Dr. Bonnie Suderman indicated that there has been some disagreement on whether the course SLOs have to be noted on the syllabus for the course. Per accreditation guidelines standard II.A.3 we must note the SLOs on the syllabus so this is no longer optional. Dr. Cowell indicated that past documentation implied this was optional. Dr. Darcy Wiewall will work to have the AP&P handbook updated as well as the faculty handbook so all state the same requirements.
