Faculty needs to be proactive in getting the work done now and not wait until August (there will be more work coming up).</p> <p>SBS Dean & Chair Meeting: Dean Dillon asked Chairs to designate faculty to work on workflows. This way faculty will not be working on the same workflow for the same discipline.</p> <p>Gabby Poorman is in communication with the SBS Chairs to assist faculty in getting workflow done quickly and on time. New department Chair in SBS.</p> <p>CTE area will work on ALL degrees and transfer degrees on Tuesday, April 30th.</p> <p>8 ADTs not started at all: Anthropology Art History Business Admin Economics Geography Law Public Policy & Society Philosophy Political Science No revision due, just an update.</p> <p>4 ADTs started but not submitted: Film & Television Kinesiology Spanish Studio Arts Film & Television and Studio Arts require mandatory full revision. May take a bit longer which is okay.</p>
--	--	---

Academic Policies & Procedures

		<p>Kinesiology & Spanish only need to submit.</p> <p>Reconvene for updates and revisions for AB 928 requirements. Next revision date has not changed and will not be impacted.</p> <p>Why is the focus ONLY on the ADT's? Trying to get them all in by Spring to not deal with them in Fall. Focus on regular revisions. ADT – AB 928 revision is per the state requirement. Local degrees: waiting for the senate to agree and approve what the new local GE will be</p> <p>AP&P reps: The Division selects a new AP& P rep not the committee. The Senate selects faculty AP& P rep not the committee.</p> <p>Robyn has the updated list. Names in orange are people who need to be entirely replaced (retiring: Lisa Karlstein, Cindy Hendrix and Larry Veres). Inform your departments to replace you. Vacating positions have not been filled or identified. Deans have been communicated to assist in replacing vacating positions. LaDonna Trimble is retiring, no date on her replacement for Fall. Her position might not be replaced most of Fall.</p> <p>Tim is staying on AP&P. Dr. Jonathan Compton needs a replacement in MSE, and will be leading AP&P. Dr. Scott Lee will be the Librarian in eLumen for evaluations of courses going through. Stephanie Orellana will be the Library Rep. on the AP&P committee (replacing Dr. Lee). She will do the AP&P workflow reviews.</p> <p>HSS and CTE are splitting. They will need two additional AP&P Reps.</p>
--	--	---

Academic Policies & Procedures

		<p>In process for hiring the Deans for HSS and CTE. Maria Clinton recommended as AP&P Rep for CTE.</p> <p>Ariel is not coming back and has no replacement yet. Need to recruit a Rep. Dean assigns new Rep, but LACA department is Dean-less.</p> <p>Gabby is Liaison to DETC and is leaving this role. The DETC Liaison role may not need to be replaced, will be discussed at the next meeting. DETC and Committee members are recommended to work together.</p> <p>The Style Guide fell to the side, reach out to Dr. Jonathan Compton to make it a goal for the next meeting.</p> <p>AVC GE Requirements: The Senate has not decided on local GE requirements. In hopes of a decision by May 2nd</p> <p>AB 1111: Common course numbering system will kick in 2026 – 2027 AVC is way behind. Courses will be kicking in by F25 but need to be revised and AB 1111 compliant by this year (6): ENG 101/101SL ENG 103/103H Math 115/115H POLS 101/101H, PSY 101/101H</p> <p>Course description and some content may change mid-summer (not quite sure). Common courses will have four letters and four-digit numbers in the future (“C” in front of course to distinguish as ‘Common Course’). Eventually everyone’s classes will be changing, this is just the first batch. Legislation assumed changing course number would be easy, it’s quite difficult.</p>

Academic Policies & Procedures

		<p>This is why it's taking so long.</p> <p>CTE working meeting: Dr. Jonathan Compton, Dr. Wendy Stout, Travis Lee, Dr. Jessica Eaton, and Robyn Serrano will be available to help with workflows on Tuesday, in UH111 from 1p - 3p.</p> <p>Workflow submission deadline: ALL and any revisions (workflows) are to be submitted in eLumen by September 26th. Will NOT be able to submit after Sept. 26th.</p> <p>Addendum-Revision List: Attached to agenda. Standard revision list. Due September 26. When revising a program, revise all the courses in the major. If programs are not revised together and revised separately, it will break the program. In the past, the committee was guided to revise courses separately, but that was not correct.</p> <p>Funding type correction: Nursing Skill Labs: 5 – 6 changes have been made. Just as an informational, the changes identify the funding source. It is Enhance-Funding and was shown as Non-Enhance Funding (Workplace Preparation). Only the funding was changed, which affects how the school gets paid.</p>
<p>IV. Discussion</p> <ul style="list-style-type: none"> – 24-25 Online Catalog 	<p><i>Scott Lee/Robyn</i></p>	<p><u>Discussion</u></p> <p>24-25 Online Catalog: It was requested in the last meeting for everyone to review their discipline in the digital catalog to ensure it is correct to vote on it.</p>
<p>V. Catalog</p> <ul style="list-style-type: none"> – Acceptance of Non-Traditional Credit and External Examinations 	<p><i>Scott Lee</i></p>	<p><u>Catalog</u> Adding COARC Accreditation course work to the Respiratory Program.</p>

Academic Policies & Procedures

<ul style="list-style-type: none"> ○ Add COARC accredited course work 		<p>This will allow anyone who transfers to AVC to take the bachelor's Respiratory Program.</p> <p>This will also assist students, not having to repeat classes when transferring (GEs do have to be taken). Added to the non-traditional credits section of the 24-25 catalog.</p> <p>AVC has two BAs: AFAB and Respiratory Program</p>

<p>VII. Closing Comments</p>	<p><i>Scott Lee/Kathy Bakhit</i></p>	<p>Thank you to everyone. This is the most important work on campus, and it's appreciated that you're all putting your hearts and souls into it.</p> <p>Please speak to your divisions/departments to obtain a replacement REP (retiring etc.).</p> <p>Motion to adjourn meeting at 3:56pm</p> <p>Motion seconded</p> <p>Motion Approve</p>

Faculty Representative's: Duties and Responsibilities

1. Keeping his/her division informed of all AP&P matters, guidelines, and timelines.
2. Meeting often with faculty who are in the process of course or program development/revision.
3. Conduct at least one two-hour training session per semester on the use of eLumen for program and course revision and development.
4. Ensuring that discipline/division faculty review and discuss the Course Impact Report, Course Proposal/Content Review and the Course Outline of Record before they are submitted to the AP&P committee; the faculty representative's signature ensures approval at the division level.
5. Completing a review of all submissions making sure that all information is complete and accurate, in line with the AVC mission, goals of the college, and free from excessive grammatical or typographical errors that would result in the material being pulled from the agenda.
6. Ensuring that the instructor developing the course has communicated with 1) the Articulation Officer for review of transfer courses and the potential impact on courses and programs across the district curriculum; and 2) a librarian for a review of support material for each course, both new and revised.
7. Ensuring that all vocational courses are approved by an advisory committee before being submitted for committee review.
8. Representing his/her division when courses are up for review by committee.
9. Assisting his/her division faculty with revisions based upon committee's suggestions or directions.
10. Assisting his/her division with development of certificate/degree programs and locally approved certificates.
11. Assisting his/her division with the implementation and use of the eLumen Software.
12. Reviewing all agenda items prior to meeting and coming prepared to discuss material.
13. Representing his/her division on all curriculum/academic matters referred to the division for discussion and implementation.
14. Senate Constitution: Article VII - Tenure of Senate Representative:
 - 1a. Upon the representative's third consecutive absence without proxy from a meeting of the Senate, the President will notify the division faculty members. The division then has the option to choose a new Senate representative. Thus, as a subcommittee of the Academic Senate, AP&P Representatives are required to adhere to this policy.
