

A.S./ Certificate Aeronautical & Aviation Technology Aircraft Airframe & Aircraft Powerplant 24-25

ABOUT THIS MAJOR

Students who complete the associate degree have enhanced employ ability in the field of aviation maintenance. They have enhanced promotional opportunities into supervisory and management positions as they gain experience with various agencies. The associate degree will also provide students with a broad range of knowledge with which to evaluate and appreciate the physical environment, the culture, and the society in which they live and with the ability to think and communicate clearly and effectively. Except in cases of a prerequisite requirement, it is not required to take courses in exactly this sequence; they are recommended in this order to facilitate success. For more information, visit the [Career and Technical Education](#) division.
