Certificate: Licensed Vocational Nursing 24-25

The Licensed Vocational Nursing curriculum is designed to prepare graduates for the National Council Licensure Examination for Practical Nurses. This is the examination required by the California Board of Vocational Nursing and Psychiatric Technicians. Students must meet program requirements before receiving permission to enroll in vocational nursing courses. Information about the enrollment process is available in the Health and Safety Science (Nursing Department) office. The program is accredited by the Board of Vocational Nursing and Psychiatric Technicians (BVNPT). Graduates receive a certificate of achievement from the college and are recommended as qualified for the national licensure examination. Students must maintain a minimum grade of "C" in each required course to graduate. A minimum grade of "C" in clinical and theory is mandatory. The BVNPT may deny licensure to individuals who have been convicted of a felony. An individual who has such a conviction and who is seeking enrollment into the nursing program should contact the Board to receive advice about their status. The Board may be contacted by writing or calling: Board of Vocational Nursing and Psychiatric Technicians 2535 Capitol Oaks Drive, Suite 205 Sacramento, CA 95833 (916) 263-7800.

Vocational Nursing - VN

The Vocational Nursing Program is a 12-month course of study leading to a certificate in Vocational Nursing. Upon completion of this program, the student is eligible to take the NCLEX-PN, the licensure examination required by the California Board of Vocational Nursing and Psychiatric Technicians to practice vocational nursing.

At the conclusion of the enrollment period, all complete applications will be screened using the multi-criteria points system and placed into the program according to highest points. Order of application by date will apply when point number is the same (ex. If two applicants have the same number of points, the applicant who applied at an earlier date will be admitted. Ten percent of those admitted for enrollment will be selected using a lottery system.

*POINT ASSIGNMENT and ENROLLMENT PROCESS
INTO THE VOCATIONAL NURSING PROGRAM
FOR APPLICANTS WHO APPLY FOR ENROLLMENT
FOR THE FIRST SEMESTER CLASS*

Students must submit the enrollment form, an official high school transcript showing graduation date or an official copy of GED results, and an educational planning and evaluation form completed by a Antelope Valley College counselor if any college courses pertaining to vocational nursing were completed, within one year prior to the date of submitting the enrollment form. Official college transcripts are required for any courses that pertain to the vocational nursing certificate, i.e., BIOL 100 (Elementary Anatomy and Physiology), PSY 101 (General Psychology) and NF 100 (Nutrition).

All students will be required to attend a mandatory student orientation, complete a background screen (including social security number verification), and physical examination, including drug and alcohol screening. Instructions will be sent to students who are offered spaces in the program.

*****Applications must be received by the Health and Safety Sciences Division office February, check LVN website for specific dates*****

1. Apply to AVC to receive a Student ID Number. If you already have a 900 number you will still want to apply to the college to make your status active.

2. Request two official copies of transcripts from college that prerequisites were completed. One official set will need to be sent to the transcripts department. One official set will need to be attached to your application. Open transcripts, copies of transcripts or electronic transcripts will not be accepted. If all your prerequisites were completed at AVC, you will still need to attach an official college transcript to your application.

Transcripts (Coursework from another College): If you have transferable credits from another college or university, you will need one set of official transcripts from every institution for the counselor's evaluation. If your prior education comes from a foreign evaluation service that AVC recognizes before a counselor from AVC can complete an Educational Plan. Request a list of International Evaluation services at the from AVC can complete an Educational Plan. Request a list of International Evaluation services at the Counseling Center. (661) 722-6338

3. Request official transcript from high school/GED. There is no exception to this requirement.

4. Make an appointment to meet with an AVC nursing counselor to have your transcripts evaluated. They will issue you an educational plan. Should you require a request for equivalency/substitution, please note it must be approved in order for your application to be considered. If you turn in your application and the educational plan from the counselor states one of your prerequisite courses are pending approval, the department will not accept your application. Please be aware, counseling will not make appointments two weeks from the deadline. If you wait two weeks until the deadline to try and complete this, you will not be able to see a counselor and you will not be able to turn in your application. Please do not wait until the last minute to complete this step.

5. Once steps 1 - 4 have been completed, attach your educational plan, official college transcripts, attach official transcripts showing graduation of high school or GED, fill out application for Vocational Nursing Program and turn into the Health and Safety Sciences Department during the designated application period.

6. Once you have all documents needed, you can turn in your application to the Health and Safety Sciences Office by mail:
