

A.S./Certificate: Medical Assistant Degree 24-25

ABOUT THIS MAJOR

Medical assistants are multiskilled health professionals specifically educated to work in ambulatory settings performing administrative and clinical duties. The practice of medical assisting

directly influences the public's health and well-being and requires mastery of a complex body of knowledge and specialized skills requiring both formal education and practical experience that serve as standards for entry into the profession. The associate in science in Medical Office Assisting students who complete the degree in medical office assisting may have enhanced employment opportunities in the field. They may have priority for positions in physicians' offices, including office manager, case manager and trainer. For more information, visit the [Health and Safety Sciences](#) division.
